

Description

These seats work well in busy pedestrian areas, shopping malls and on station platforms providing economical seating within a small footprint. The open slatted tubular design is very efficient at shedding rainwater to leave a dry seating area. These seats can be made to any length and also be specified with armrests

Details

Product Reference: **CL003 back to back**

Length : **1800mm**

Height : **817mm**

Width : **1200mm**

Fixing option: **Embedment fixing | Base plate below ground fixing | Base plate surface fixing**

Materials : **Galvanised-powder-coated | 316 stainless-steel**

Options : **Armrests | Plaque | Anti skate**
